KINGDOM GOSPEL NUGGETS

We have DRAMAS, VERSE-BY-VERSE BIBLE PREACHING, and SERMONS based upon Current Events each and every week - truths that go down sometimes nice and easy but other times harder when needed! The difference truly IS dramatic! See our home page for the radio and live streaming schedules.

Always check out every ministry that speaks into your life. Many have sadly compromised truths from the Word of God. If you have never read our statement of faith, it is detailed while avoiding questionable issues where Godly people sincerely differ. It will tell you what we believe with scripture for every position. Our ministry practices follow that which is applying the scripture especially in areas where many have compromised the clear teaching of God's holy word.

Kingdom Gospel has many pieces of colorful and relevant literature available. Check our website or give us a call at 215-659-5500.

Our police tract called THE LOVE TICKET is especially timely. We recently sent another batch of them to be distributed by Christians in New York City. We have only heard of ONE of them being refused by a law enforcement officer. They have been given out in Philadelphia, Houston, Toronto, and New York as well as in outlying areas.

We urge you to consider the ways of God in these turbulent days. Good fruit comes from good trees, bad fruit comes from bad trees. It really is that simple!

Evangelist John Teets is also available for speaking engagements - he does not belong to any denomination, but has spoken boldly at Baptist, Assembly of God, Apostolic, Catholic, Charismatic, and Third Wave gatherings to reach any hungering for the truths of God, as well as non-denominational settings. The Gospel of Christ is his message and he would love to share that with you!

God bless you!

"And this gospel of the kingdom shall be preached in the whole world as a testimony to all nations, and then the end will come." Matthew 24:14 (NIV)
